

**January 2008**

## ***Amtrol Features New Products at AHR 2008 Booth #1859***

We invite you to stop by our booth at this year's Air Conditioning, Heating and Refrigeration (AHR) Show at the Javits Center, New York City, January 22-24, 2008.

- Amtrol is introducing the Well-X1™, a revolutionary new product designed by installers that will expand your business while minimizing labor hours. The next generation of Well-X-Trol® is coming and it's unlike anything the market has seen.
- Amtrol is also introducing the new BoilerMate® Top Down™ 80 Double-Wall. The industry-leading indirect-fired water heater is now available with Double Wall heat exchanger for installations where mandated by code.
- Stop by also to learn how Amtrol is at the forefront of solar technology with the Dual Coil BoilerMate®. It's one of the most flexible, high performance solutions for solar thermal hot water requirements.

Visit Amtrol® in Booth #1859 or contact Nelia Hoard at [nhoard@amtrol.com](mailto:nhoard@amtrol.com) or 401-535-1223.
