

EZ Series

# INTRODUCING THE TOP DOWN BOILERMATE™ *EZ Series*

## THE ONLY TRUE TOP DOWN INDIRECT-FIRED WATER HEATER

### Benefits:

- Provides easy installation and simple maintenance under harsh water conditions
- Pre-assembled coil saves time and ensures proper installation
- Solid brass heat exchanger plate and fittings provide long lasting strength
- Based on the proven AMTROL® BoilerMate design that is the industry's leading performer
- One of the lightest indirects available – less than 1/2 the weight of the other top-coil units
- Bottom drain piped to stand for easy and complete draining – no pumps or compressor needed
- Available with a 5-year warranty as a low-cost option

**No one can top this.**

AMTROL® knows your time is valuable. So, we've developed a new version of our industry leading BoilerMate Classic indirect-fired water heaters. We call them the Top Down BoilerMate EZ Series because all of the plumbing and wiring connections are on top, making installation and maintenance fast and easy. It also makes the Top Down BoilerMate EZ Series the industry's only true top down unit. Available options include our enhanced SmartControl and a limited lifetime warranty. Perhaps more importantly, the Top Down BoilerMate EZ Series is from AMTROL, the most trusted name in the industry. For more information, call 401-884-6300 or visit [www.amtrol.com](http://www.amtrol.com).
